

POLYCAN Portable Urinal Technical Information

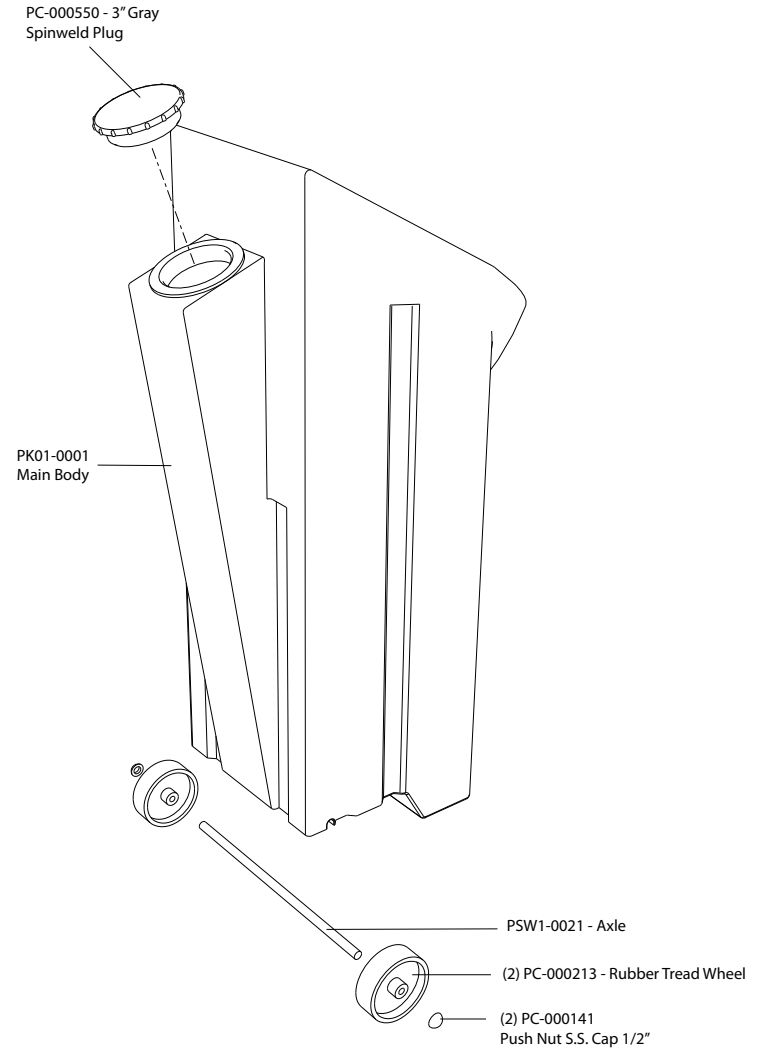

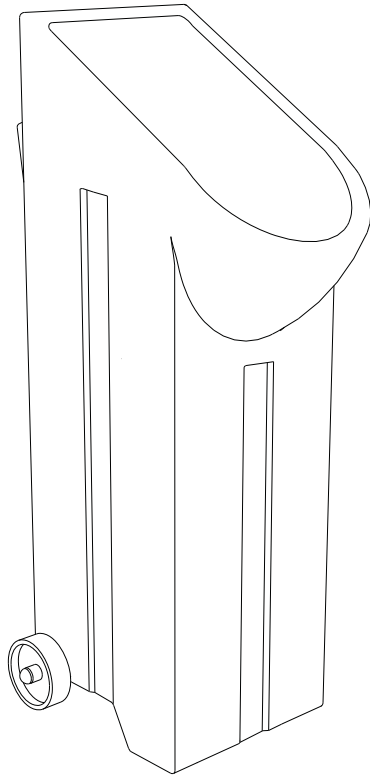

General Overview

The "PK01-1000 PolyCan Portable Urinal" is designed for "Highrise Construction Sites". Lightweight and easily mobile on rubber tread wheels. Conveniently fits inside of the "Highrise Portable Restroom" for ease of portability up into a "Highrise Construction Site". Serviceable by unscrewing the spinweld plug located in the back of the urinal. Available from "Rid-It" to help stabilize odor are the cherry or lemon scented "CK01-0010** Urinal Blocks" cased in 3oz packages.

For shipping purposes, the wheel assembly is shipped in a bag. Assembly simply snaps into the groove located on the bottom of the tank.
